2. Provide Signature

To ensure that I will receive a quantity discount on future purchases, I (or my dealer) must inform Security Distributors, Inc., that this Statement of Intention is in effect each time I purchase such shares. I understand that income dividends and capital gains distributions taken as additional Class A shares will apply toward the completion of this Statement of Intention.

Subject to conditions specified on the reverse side hereof, each purchase will be made at the public offering price applicable to a single transaction of the dollar amount indicated above, as described in the then effective prospectus. If I am an individual, all purchases made for my own account or for the account of my spouse or for the accounts of my children under the age of twenty-one shall apply toward completion of this Statement of Intention. If I am a trustee or other fiduciary, all purchases for the account of a single trust estate or a single fiduciary account (including a pension, profit sharing or other employee benefit trust created pursuant to a plan qualified under Section 401 of the Internal Revenue Code) shall apply toward completion of this Statement of Intention.

I understand that after having purchased the amount indicated above, I will continue purchases for the balance of the period at the public offering price applicable to such amount. I also understand that I may, at any time during the period, revise upward my stated intention. Any reduction would be applicable to all purchases under this Statement of Intention.

I make no commitment to purchase shares, but I agree that if purchases made within thirteen months (or 36-month period for purchases of \$1 million or more) from this date do not aggregate the amount specified above, I will pay the increased amount of distribution charge prescribed in the terms of the Security Agreement set forth on the reverse side hereof. It is understood that five percent of the dollar amount checked above will be held by the transfer agent, subject to the terms referred to above, in the form of shares (computed to the nearest full share) registered in my name. This is not a binding obligation upon the investor to purchase or the company to sell the full indicated amount.

I further understand that the privilege of purchasing shares at a reduced distribution charge over a thirteen-month period (or 36-month period for purchases of \$1 million or more) may be withdrawn as to future purchases upon information that the shares are being sold or transferred by me within the thirteen-month (or 36 month, as applicable) period (except when shares of one fund are exchanged for shares of one of the other funds shown above or Cash Fund).

Security Agreement

Out of my initial purchase (or subsequent purchases if necessary), 5% of the minimum dollar amount specified in the Statement of Intention will be held by the transfer agent in the form of Class A shares registered in my name (computed to the nearest full share at the public offering price of such shares applicable to my initial purchase hereunder) as security under this Security Agreement. All dividends and capital gains distributions on such shares which are held as security will be paid directly to me or on my order, unless I have elected to reinvest dividends.

If my total purchases under the Statement of Intention equal the amount specified by me on the reverse hereof, transfer agent will deliver directly to me or on my order the shares which are held as security.

If my total purchases under this Statement of Intention should be less than the amount specified, I will remit to Security Distributors, Inc. ("SDI") on written request by SDI or my dealer an amount equal to the difference in the dollar amount of sales charge actually paid and the amount which would have been paid on the actual purchases had they been made at one time. If SDI does not receive such payment within twenty (20) days after the expiration date of this Statement of Intention, on the following business day shares held as security may be tendered for repurchase in order that SDI may realize the difference in sales charges. If shares of more than one Fund are held as security, Security Management Company, LLC ("SMC") may cause the repurchase of shares of any one Fund, or more than one Fund as SMC shall determine in its sole discretion. If the proceeds from such a repurchase are inadequate for such purpose, I shall be liable to SMC for the difference. SMC will deliver or pay to me or upon my order any remaining shares held in the account after such repurchase, together with any cash representing a fractional share.

I hereby authorize Security Management Company, LLC to release the shares held under this Security Agreement and I hereby irrevocably constitute and appoint Security Distributors, Inc. my attorney to surrender such shares for repurchase by the Fund(s), with full power of substitution in the premises.
